# 1. Introduction

---

Welcome to Linz! We are very pleased about you choosing Linz for your internship with IAESTE and a warm welcome to the 2018 summer reception program with IAESTE Austria.

We are looking forward to an innovative and exciting program with participants from every region of the world on every weekend. To help you prepare for a cool summer in Linz, we are providing this guide of additional information about Linz and Austria. Please read through this information carefully. To assist you in finding the information you need, please refer to the table of contents.

If you have any questions or suggestions, please don't hesitate to ask, we would be happy to help you. We hope you enjoy your stay and make some unforgettable memories in Linz!

Best Regards,  
IAESTE LINZ

## 1.1 Facts and Figures

### 1.1.1 LINZ

Linz is the third-largest city of Austria and capital of the state of Upper Austria (German: Oberösterreich). It is located in the north center of Austria, approximately 30 kilometers (19 miles) south of the Czech border on both sides of the river Danube. The population of the city is 203.012.

The official language in Austria is German, but English is widely spoken by Austrians and foreigners alike. To assist you a bit, here are some useful phrases that could help you in your everyday life:

Good morning:	Guten Morgen
Good afternoon:	Guten Tag
Good evening:	Guten Abend
Good night:	Gute Nacht
Bye:	Auf Wiedersehen
Official 'Hello'	Grüß Gott (typical Austrian)
Thank you:	Danke
Please:	Bitte

Linz is quite easy to reach by plane, train, bus and car. The Linz International Airport also known as Blue Danube Airport Linz and formerly Hörsching Airport, is a minor international airport near Linz. It mainly features flights to European leisure and some metropolitan destinations. The biggest train station in Linz, the newly renovated Hauptbahnhof (Main Train Station), has good connections to neighboring towns and countries. You can find more information regarding lines and the travel schedule under <http://www.oebb.at/en>.

Regarding electrical appliances up to 2.200 W, the voltage used in Austria (as in most of Europe) is 230 V/50 Hz single phase with universal plugs type C.

For more information about a Vienna visit <http://www.linz.at/english/>.

## 1.2 IAESTE Linz Contact Information

The IAESTE Linz office will be one of your first points of contact and the starting point of many activities. The office is close to the metro station "Universität", where two railways are crossing: 1, and 2.

IAESTE Linz

Fax: +43/ (0)732 2468-9296  
E-mail: [incoming@linz.iaeste.at](mailto:incoming@linz.iaeste.at)  
Homepage: <http://www.iaeste.at/>

## 2. Health Insurance and Cases of Emergency

### 2.1 Registering for Health Insurance

Your internship contract is probably (99.9%) a “Kollektivvertrag” or “Dienstvertrag” which means that you do not have to worry about registering for health insurance. About 2 weeks after the start of the contract you will get an insurance card (called “E-Card”) sent to the address where you are registered. Use this E-Card every time you visit a physician.

### 2.2 Hospitals

There is a list of hospitals you can find here:

<http://portal.linz.gv.at/Serviceguide/viewChapter.html?chapterid=121726>

When you are not sure about your health insurance, we would recommend going to the “Barmherzige Brüder” hospital, since they might also treat you without any fee.

In case of accidents call the European emergency number 112 (available in English).

There is also a hospital primary responsible for accident treatment:

AUVA-Unfallkrankenhaus Linz  
Garnisonstraße 7  
4010 Linz  
Tel.: +43 5 93 93-42000  
Fax: +43 5 93 93-42609  
E-Mail: [ULV@auva.at](mailto:ULV@auva.at)  
Internet: [www.auva.at/ukhlinz](http://www.auva.at/ukhlinz)  
Access: Bus line 45, 46

For nonemergency, there is also an internet website which helps you find a doctor in your vicinity:

[www.docfinder.at/arzt suche/](http://www.docfinder.at/arzt suche/) You can use this tool to find dentists or any other doctor which are located nearby.

### 2.3 Emergency Numbers

European Emergency Number:	112
Fire Department:	122
Police:	133
Ambulance:	144

## **3 General Information about your Internship**

### **3.1 Registering at the Municipal Registry Office**

Linz's regulations require you to register the latest by the third day of your stay in Linz and also deregister before you leave. To register, you have to fill out a document called Resident registration form ("Meldezettel). After filling out the form and having it signed by the house owner or maintenanant, take a passport with you and go to the municipal office of your district. Opening times are usually from 7:30 am until 3:30 pm. Here you can find a list with each district (Bezirk) and the address of its municipal office: <http://www.linz.at/service/485.asp> & <http://www.linz.at/service/service.asp>

There are no fees for registering. After registering, you will be handed a document confirming your registration (Bestätigung der Meldung) and that's it. Please do not forget to deregister when leaving Linz. Failing to register or deregister or by registering and deregistering although no accommodation is established or the existing accommodation is not given up, is considered an administrative offence which can result in a fine of up to 726 €.

### **3.2 Prolonging the internship**

In some cases, your employer might ask you to prolong the internship if he is happy with your work and wants you to finish a project. When that happens, the IAESTE office must be contacted ASAP, at least 2 months in advance. You can do this either by telling the person who is in charge of your Internship, or by writing an email to the IAESTE office. You also need to tell your employer, that he needs to make a new "company confirmation note" ("Firmenbestätigung") for the new time period.

In case you need to prolong your Visa, you will also need to contact your embassy in Vienna. To apply for the Visa, you will most probably also need a confirmation of accommodation which can be made by the IAESTE office after you have prolonged your accommodation.

### **3.3 Prolonging/changing/cancelling the accommodation**

In order to prolong/change the accommodation at which you are staying, you need to contact the people responsible for it at least 2 months in advance. It is important to notice that as a trainee only you and your accommodation organizer carry all the responsibility for your place of stay. IAESTE is not responsible for anything connected with it. All we can do is try to help you, but we cannot be held responsible in case it fails. After you have managed to reserve a space for yourself, you need to contact the office so that a confirmation of accommodation ("Unterkunftsbestätigung") can be made. This one is necessary to prolong your visa.

### **3.4 Lost your documents or other valuables**

In case you lost anything that is important to you, the measures to take depend on where you lost it. If you lost something in any train of the ÖBB (Austrian Railways), please visit the website of the Lost and Found service of the Austrian Railway: <http://infrastruktur.oebb.at/en/kontakt/lost-and-found> or call their hotline + **43 1 93000-22 2 22**, which is available from Monday to Thursday from 07:30 to 12:00 and 14:00 to 16:30 as well as Fridays from 07:30 to 13:30.

Lost identity cards and documents as well as bank cards and wallets will be sent to the Lost and Found Service Central Office of the Lost and Found Service in Linz or Vienna.

If you lost something somewhere along the network of the "Linz Linien" (e.g. Trams, Busses or other means of public transportations of Linz), these items will be passed on to the Central Office of the Lost and Found Service after about 2 or 3 days.

Contacts of the Central Office of the Lost and Found Service (Fundbüro der Stadt Linz)

Neues Rathaus, Zimmer E007  
Hauptstraße 1 - 5, 4041 Linz  
Tel. 0732/7070-0,  
E-Mail: [fund@mag.linz.at](mailto:fund@mag.linz.at)

If you lost account cards, an ID-Card or other official documents, please go to the municipal office (German: "Magistrat", look for section 3.1 for instructions how to find one) and report it. In some cases, (e.g. when you lost a bankcard) you will need to file a loss report as soon as possible. In case of a lost bankcard, of course you have to inform your bank as soon as possible as well, so that they can block any unauthorized access to your account.

If you lost your E-Card, please inform your health insurance institution, they can issue another card for you.

### **3.5 Problems at work**

If you experience any problems at work such as:

There is a misunderstanding between you and your employer or fellow employees,  
The work that you are doing does not fit the job description you signed up for, etc...

Then please contact your local IAESTE office. We will do our best to clarify any difficulties. Please try to avoid any arguments when such a thing happens.

## 4. Weather and clothes

### 4.1 Summer

Linz can be quite warm in summer (average 24-28 °C) with occasional maximums of up to 31-36 °C. It receives a moderate amount of rainfall, the maximum of 80 mm being in June. Generally, the precipitation culminates over a few rainy storms and overall it is very sunny. Therefore, it is recommended to generally bring light clothing, but also something to prepare for rain. The Danube River also has a few beaches and we have some open-air baths so it would be nice to bring a swimsuit.

### 4.2 Winter

From the end of November to February and middle of March the temperatures often fall below the freezing point. In December, Linz receives on average not more than 2 hours of sunshine and an average of 64 mm of precipitation. Snow is frequent, therefore, it is wise to bring gloves, a scarf and a warm cap for the cold winter days. Also, water resistant winter shoes are recommendable for the melting season.

### 4.3 Fall and Spring

The temperatures are mild around 17°C. Generally, spring is one of the best seasons to visit Linz, because of its beautiful gardens. However, the weather can become unpredictable. There is less storms than in summer, but sometimes it can drizzle over long periods of time (up to a few days). Therefore, remember to take a rain jacket or an umbrella.

## 5 Getting around

### 5.1 Public Transport

#### 5.1.1 In Linz

The Linz tramway network (German: Linzer Straßenbahnnetz) is a network of tramways forming the backbone of the urban public transport system in Linz. The network is operated by the Linz Linien division of Linz AG, the city-owned utility company, and uses the unusual track gauge of 900 mm. It consists of four lines, including the Pöstlingbergbahn mountain tramway with which it has been integrated since 2009. Linz Linien also operates the Linz citybus network and the Linz trolleybus system. All the information about the public network can be found under:

[http://www.linzag.at/portal/portal/linzag/metanavigationheader/home\\_1/centerWindow?action=1](http://www.linzag.at/portal/portal/linzag/metanavigationheader/home_1/centerWindow?action=1)

There is also a very helpful application called Qando Linz which is available on smartphones. It helps you find the fastest routes between locations and has information on the times at which the transport leaves. Additionally, it is constantly updated in case of changes or disruptions.

All the information about the mobile application can be found under:

<https://play.google.com/store/apps/details?id=com.fluidtime.android.linzag&hl=de>

#### 5.1.2 In Austria

Moving outside of Linz is organized by the ÖBB. It is separate from the Linz Linien. The fastest mode of transport is the "Regional Zug" and the S-Bahn. To find a connection it is useful to visit the page: <http://www.oebb.at> or use the app

**ÖBB SCOTTY** (<https://play.google.com/store/apps/details?id=de.hafas.android.oebb&hl=de>)

**IMPORTANT:** travelling outside of Linz requires a different Ticket!

#### 5.1.3 Tickets

LINZ AG LINIEN has the right ticket for each passenger. In addition to the classic MINI, MIDI, MAXI and MEGA (annual) tickets, weekly and monthly tickets are available for your individual mobility requirements.

Ticket	Price / €
MINI Tickets (short distance)	1,1
MIDI Tickets (long distance)	2,2
MAXI Tickets (day tickets)	4,4
Week	14,5
Month	45,6

All the information about the Linz tickets can be found under:

[https://www.linzag.at/portal/de/privatkunden/unterwegs/tickets\\_tarife](https://www.linzag.at/portal/de/privatkunden/unterwegs/tickets_tarife)

### 5.2 Taxis

Taxis are probably one of the most expensive, but also the most comfortable ways of moving around. It is available 24/7, so if you ever find yourself in trouble, and cannot find a way home, you can always call one. Here are some telephone numbers you might find useful:

661266	AST/Collective on-call taxi
2244	Linzer Taxi
6969	Taxigenossenschaft

## 6. Mobile Phone Networks

The main mobile phone networks in Austria are:

1. A1 ([www.a1.net](http://www.a1.net))
2. Drei ([www.drei.at](http://www.drei.at))
3. T-Mobile
4. Tele.ring
5. Yesss
6. BOB ([www.bob.at](http://www.bob.at))
7. HoT ([www.hot.at](http://www.hot.at))

For the current best tariff ask the local IAESTE committee, as this changes permanently.

## 7. Bank and Money

### 7.1 Opening times and money withdrawal

In Austria, Banks are generally opened from about 8:00 to 15:00 from Monday to Friday. Most of them also have a lunch break at midday. However, for specific times one has to check their website, as it also largely depends on the Bank.

Money can be withdrawn from ATMs at any time of the day. To find the nearest ATM (German: "Bankomat") it is useful to use the Website <http://www.psa.at> and click at "Bankomatsuche" in the right bottom corner. Then:

1. In the category "Bundesland" choose "Linz"
2. In the category "PLZ" choose the postal code of the district where the ATM should be located. (4### where ### is the number of the district e.g. 4040 is the postal code of the Urfahr) The search shows a list of all ATMs in the region.

### 7.2 Opening a bank account

In order to open a bank account in Austria you will need your passport and/or your ID Card with a signature. However not much more is needed. There are a number of banks from which you can choose. Some are only online, but offer even better services than the ordinary ones. Almost all of them offer multilingual mobile applications for banking. Here is a list of the most popular banks in Austria:

- Unicredit Bank Austria
- Raiffeisen Bank
- Sparkasse (also called Erste Bank AG)
- Bawag

Those that offer ONLY online services:

- easy Bank
- BankDirekt
- DKB (Deutsche Kreditbank AG)
- DirektAnlage

The simplest type of account is the so-called Giro (German: "Girokonto") and can be acquired for free for students in most banks. It can be used for payment and other transactions, but only offers a credit card after usually 3 months (and only if one earns money). The usual debit card ("Maestro Card") is sent to the account owner immediately. Due to new EU regulations, you can use almost any debit card of a Euro member country in Austria immediately without any additional setup time.

## 8. Life

### 8.1 Culture

In terms of culture Austria is similar to other western European countries. However, it has its own little nuances. As mentioned in section 8.2.1 one of the most important differences is that all shops are closed on Sunday. That is rather important, because if you don't prepare for this, buying food on Sunday is very difficult. Additionally, the opening times are respected, so if you are in a shop at closing time, you will be asked to leave. The shops close punctually and there is no "open until the last client" rule. Punctuality is an important "virtue" in Austria. When you make an appointment, or are going to work you are always expected to come on time or even a bit earlier. Only parties are an exception. At work, you will be considered unreliable, if you come late. Lastly, when you are paying at a restaurant or a bar it is not unusual to pay a tip. Not everybody does this, but if they do, they usually round up the price to the next whole number.

### 8.2 Food

#### 8.2.1 Groceries

There are a number of supermarket chains in Linz: Lidl, Billa, Spar, Zielpunkt, Hofer, Merkur etc. Hofer is probably the cheapest of them all. It is important to remember that all supermarkets are closed on Sundays and holidays. There are few important things to remember before going shopping in Austria:

- Austria is BIG on recycling, so you will have to bring your own bags
- The shop clerks will not help you pack your groceries
- If you want a cart you will need a 0.50€, 1€ or 2€ coin
- When you want to buy fruit or vegetables you will sometimes need to weigh them yourself. All products have a number next to the price and you will need to use the scale to print out a price tag to stick on the bag.
- Generally, supermarkets close before 8:00 p.m. during the week and at 6:00 p.m. on Saturdays.

Here is a list of grocery products with their average prices. A more complete list with comparisons in other currency can be found on [www.numbeo.com](http://www.numbeo.com):

Milk (regular), (1 liter)	1.22 €
Loaf of Fresh White Bread (500g)	1.59 €
Rice (white), (1kg)	2.43 €
Eggs (12)	3.36 €
Local Cheese (1kg)	10.33 €
Chicken Breasts (Boneless, Skinless), (1kg)	12.27 €
Beef Round (1kg) (or Equivalent Back Leg Red Meat)	18.00 €
Apples (1kg)	2.45 €
Banana (1kg)	1.87 €
Oranges (1kg)	2.91 €
Tomato (1kg)	2.26 €
Potato (1kg)	1.45 €
Onion (1kg)	1.56 €
Lettuce (1 head)	1.56 €
Water (1.5 liter bottle)	0.97 €

#### 8.2.2 Restaurants

In Linz we have a lot of restaurants and you can choice between Austrian, Chinese, Italian or many other restaurants. And you can get almost everything starting with Schnitzel to Sushi.

All the information about all restaurants in Linz can be found under:

<http://www.linzwiki.at/wiki/Restaurant/>

## 8.3 Shopping

As most European cities Linz has a few "shopping districts". The biggest and typically Linz is the Landstrasse. The street stretches between the Hauptplatz tram station and regional train station Hauptbahnhof, and offers a wonderful shopping as well as walking experience, especially in the spring and summer months.

Access

Tram: 1, 2, 3, 4 – Hauptplatz  
Bus: 26, 27 – Taubenmarkt

If you are a fan of malls or if the weather happens to be bad, you can always visit the Plus City (The Plus City is a shopping center in Pasching in Upper Austria. It is located southwest of Linz and opened on October 15, 1989. It has a total retail floor area of over 750,000 square feet on 2 main floors.) Which you can reach with the Tram lines 3, 4 in direction "Trauner Kreuzung" till "Plus City".

If you are looking for electronics or house appliances stores, you would find them on the above-mentioned street and malls. Some of the biggest and best equipped are Saturn and Media Markt.

Almost all shops in Austria accept both debit and credit cards and also offer Tax free shopping for non EU citizens (more information at [www.globalblue.com](http://www.globalblue.com)).

## 8.4 Sports and Recreation

When the weather is good, there are several options to enjoy Linz. After a short time walking from the city center you will come across several huge BBQ areas and stretched parks along the Danube. A perfect place to get out of the city and relax. Another option is to hike up to "Pöstlingberg", a small mountain from which you have a beautiful view on the top of the city. There is a nice Cafe up on the top which invites visitors and hikers. Hot weather is the best opportunity to go for a swim in the "Pleschinger Lake". There are several nice spots to swim or just lay in the sun. One of the another nice places is at near of city is Pichlingersee another beautiful lake.

The USI, the sports university regularly offers sport courses, which include swimming, table tennis, indoor soccer, fitness, etc. This is their website (<http://www.jku.at/content/e213/e175/e6856/>) Additionally, there are different places like the Bowling Center "Bowling Center Linz Pasching GesmbH" where you can play billiard, table tennis, bowling and more.

## 8.5 Sightseeing

"In Linz beginnt's" (Everything starts in Linz) is the slogan of this refreshingly modern city. The Upper Austrian's came up with this slogan in order to get rid of the line "In Linz, da stinkt's" (It stinks in Linz) - for decades, this referred to the city's industrial heritage and the concerned pollution. Wool, iron and wood industries, later oil, steel and transportation (Linz is a railway hub) caused a not-so-nice reputation and it was only through the economic rise of the past one or two decades that tourists discover Upper Austria's capital.

The few "old" sightseeing highlights (Pestsäule, Schlossberg, the protestant Landhaus and the obligatory baroque palazzos and monasteries) would not be sufficient to attract tourists. Many come, though - for the sake of the modern face of Austria that is visible in Linz. The ARS Electronica centre is a "museum" and festival dedicated to information, technology and art and the "Linzer Klangwolke" attracts ten thousands of people. The modern Brucknerhaus Concert Hall is regarded to be one of Austria's best places for classical music. And the Lentos museum of modern art makes other places in Austria struggle in their endeavors to catch up in this area. When Salzburg opened a museum for modern art a few years ago, Linz started a poster campaign with the brilliant slogan: "Salzburg has a new museum. Lentos." All other information about the sightseeing you can find here: <http://www.linz.at/english/tourism/217.asp>

## 8.6 Cinema, opera and classical concerts

### 8.6.1 Cinema

In Linz you can find both international and Austrian international cinemas. The two most important international cinemas are:

- City-Kino (<http://www.moviemento.at/>) on the Graben 30, 4020 Linz near the taubenmarkt tram station
- Cineplexx Linz (<http://www.cineplexx.at/>) on the Prinz-Eugen-Straße 22, 4020 Linz near the industrizeile bus station you can go with bus number 17 or 19 or 27

### 8.6.2 Opera and classical Concerts

#### Brucknerhaus

Acoustics that send even well-traveled world stars into excitement have become a trademark of the Brucknerhaus since its opening in 1974. Cultivating classical music, jazz, rock and pop concerts, musicals, opera and operetta: all of this is part of the course of the high-quality concert life in Linz. "Thank you for the hall" – the Russian star conductor Valery Gergiev wrote in the guest book of the Brucknerhaus after a celebrated concert. His enthusiasm is shared by many famous artists from classical music, contemporary music and jazz who have given guest performances in the concert house on the Danube designed by the Finnish architects Kaija and Heikki Siren.

#### Posthof

One of the largest venues for contemporary culture in Europe, the Posthof, is located at the harbor of Linz. The event center is a leader in current contemporary culture, presenting dance, cabaret, theatre and literature as well as contemporary music. Whether rock, pop, jazz, reggae, techno or hip hop: at the Posthof, local bands and internationally acclaimed musicians provide the right mix.

Other popular festivals in September are the Linzer Klangwolke (Linz Cloud of Sound), the Ars Electronica Festival (in cooperation with the Ars Electronica Center) and the international Bruckner Festival.

More information here: [http://www.bruckner-orchester.at/3256\\_EN-Bruckner\\_Orchester.htm](http://www.bruckner-orchester.at/3256_EN-Bruckner_Orchester.htm)  
<https://www.landestheater-linz.at/musiktheater>

## 8.7 Nightlife

If you want to enjoy nightlife, Linz is definitely the place. There is a wide variety of Pubs, Bars and Clubs available behind every corner. Here is a summary of some of the places you might want to visit:

#### Bars & club:

- Cubus is a Combining the traditional and the modern, experiencing the special in the things that appear so simple – that's the challenge that Cubus, in the Ars Electronica Center, sets itself. It is located at the street Ars-Electronica-Strasse 1, 4040 Linz (Austria)
- Rox Music Bar is a Music bar in the heart of the city, with an eclectic weekly program featuring karaoke, Rock Night and Saturday Night Fever. It is located at the street Graben 18, 4020 Linz
- Musikpark A1 club, It is a specific type of club, quite large, and welcomes all types of musical tastes. Definitely a place to check out is a biggest and the best night club in Linz for dance and a lot of fun in the night it has a large indoor Dance floor. It is located at the street Hamerlingstraße 42, 4020 Linz

#### Pubs:

- The Golden Pub is a Pub with traditional Austrian food and drinks. It is located at the street Jahnstraße 9, 4040 Linz near the Biegung line 3 tram stations.
- Steakhouse pub is an big steak BBQ restaurants in Linz, it is located at the street Untere Donaulände 12, 4020 Linz near the Hauptplatz tram station.

## 8.6 Linz Weekend and other Weekends

During your stay, you are free to join our events in Linz and outside of Linz. We organize the so called "Linz Weekend" where trainees from countries around Austria will also take part. This year, it takes place in the **TBD** week of **TBD**. Throughout the whole summer many of those weekends are organized in different places all over Austria and Europe. You can join as many as you want, however, IAESTE does not pay for the travelling costs to those cities. There is also a general "Summer Reception" program whose purpose is to entertain trainees during the weekends throughout summer. In order to organize you time efficiently, check out the Website <http://iaeste.org/events>.

The folder from two years ago
